

Prodigian's GIANT Leap in Techno-Space!

An Inspiring genius girl- **Rutuja Rajesh Shejval**, a student of grade 10th in Prodigy Public School literally defied the proverbial truth 'Sky is the Limit' when the satellite made by her was sent into the space in the presence of multitude of enthusiastic spectators of space aspirants on 7th February 2021.

The event was a part of the programme Payload Cube Challenge jointly organized by **A P J Abdul Kalam International Foundation and Space Research India 2021**.

Rutuja's Achivement was greatly appreciated by the **Trustee: Mr Rushiraj Sawant** , the Campus Directors : Dr Vivek Kayande and Dr S. N. Patil, the School Principal : Mrs. Reeju Kothat and the staff and parents of Prodigy Public School.
